

Chip shops prove to be a good catch

HALE and Flixton's 'Good Catch' fish and chip shops have scooped up a top award.

The National Federation of Fish Friers present the prestigious Fish and Chip Quality Award to promote outstanding friers who provide high-quality products with high standards of hygiene.

The shops are family-run by four siblings – Alison, Chris, Michelle and Rob Pitteras – who have a third shop opening in the summer in Formby, Liverpool.

Michelle said: "We pride ourselves on the speed of our service."

The shops can be found on Stamford Park Road in Hale, and Brook Road, Flixton.
