**The Number 1  
Take Away Fish & Chip Shop  
in Merseyside and  
Greater Manchester!**

The Family run fish and chip shop in Freshfield has won the title of **Best Independent Take Away Fish and Chip Shop in Merseyside and Greater Manchester** following a competition organised by the **Seafish** authority.

The Seafish awards reward businesses which deliver food and service that's a cut above the rest – so you know exactly where to go for truly great fish and chips!

In order to reach this stage of the competition, The Good Catch has been appraised and judged on sustainable sourcing practices, customer service, hygiene and staff

The Good Catch has also achieved the National Fish & Chip Award and has been independently assessed by Seafish, and found to be delivering fantastic food and service to consistently high standards.

The award winning fish and chip shop prides itself on serving delicious, freshly prepared fish and chips every day. In addition to the selection of fish on offer; home-made fish cakes, fish fingers and daily specials such as Gluten Free Fish and Chips, are also on the menu.
